

# Introductory events in English for first-year students in the SUMMER SEMESTER 2024

Bachelor | Master | Teacher Education | Law

For a complete list of all introductory events  
(including events in German) please check the  
German version of this document.

# Welcome to the University of Bayreuth!

Your studies will start shortly.  
We look forward to seeing you!

## First some useful tips:

- Stay current with updates in this programme (e.g. room details, date changes or online formats).
- You can find helpful information and tips on starting your studies on the [Student Advising website](#).
- Additional information, e.g. on prerequisite courses, can also be found on [the website of the Student Administration Office](#).
- Please also take note of any other events published on the website of your degree programme.
- You will find a campus map [on this page](#) to help you find your way around in the first few days.
