# IT Service Centre

## OUR SERVICES FOR STUDENTS AT A GLANCE

### Electronic identity

With your login ID, library number, and campus card, you have an electronic identity at the University of Bayreuth with which you can use the services of the IT Service Centre.

### MyFiles

The cloud service allows data and documents stored in central data stores to be shared with others for viewing and joint processing.

### MS 365

Microsoft 365 with Microsoft Teams, all Office programmes, and 1TB OneDrive cloud storage

### E-mail

In addition to e-mail, your Exchange mailbox also provides you with shared calendars, address and contact management, as well as other useful groupware functions.

### Printing

You can request print jobs from your own computer from many print stations on campus or from the ITS in-house print shop via the web shop.

### Additional software

Within our framework agreements, we offer you software subject to costs and licences as purchase or rental licences at reduced prices.

### Internet

Eduroam provides authorized access to the university's W-LAN network and thus offers a free connection to the internet. BayernWLAN is an open network available to external users.

### ITS Multimedia

Multimedia technology for events on campus, all-in-one devices for smaller video conferences, equipment for producing your own learning video, and much more can be borrowed from the IT Service Centre free of charge.

### Materials

Frequently required materials (computer accessories, IT literature, etc.) can be purchased at low cost at the ITS materials desk or via the online shop.
